

## Dr. Janet Zadina

Janet N. Zadina, Ph.D. is an experienced high school and community college instructor and reading specialist now engaged in neuroscience research. She received her doctorate in the College of Education at the University of New Orleans, conducting her award-winning dissertation research on the neuroanatomy of dyslexia through collaboration with Tulane University School of Medicine.

She continued her postdoctoral education with a Fellowship in Cognitive Neuroscience in the Department of Psychiatry and Neurology at Tulane University School of Medicine where she researched neuroanatomical risk factors for developmental language disorders through Magnetic Resonance Imaging (MRI) brain scans.

She is currently an Assistant Professor in Cognitive Neuroscience in the Department of Psychiatry and Neurology at Tulane and in Psychology at the University of South Florida engaged in neuroscience research. Dr. Zadina is author of *Six Weeks to a Brain-Compatible Classroom*, co-author of *Writing Now*, (2003 Boston: Houghton Mifflin), a college developmental composition textbook, and founder of Brain Research & Instruction (Outside Source) (BR&IN). She has presented keynotes and workshops on brain research and instruction internationally.
